

SUPPORTING ANIMAL RESCUE

At Creative Chaos Co we get involved in animal rescue too! And a % of our profits will go towards our chosen charities and also our summer animal therapy fun days at our local sanctuary.

100% VEGAN ETHICAL SUSTAINABLE

It's important to us at Creative Chaos Co that we leave as little harm to this planet as possible, so all our garments are 100% vegan and ethical. They are designed to last for years. We are not fast fashion. Our orders take a short while to prepare, but they are very worth waiting for.
