

SHIPPING POLICY

So we can offer so many Superhero designs and garments in our shop, we create our orders bespoke, so they will take a little while to reach you. We say please allow a week, although it may be sooner, or a little longer.

Our garments are meant to last for a very long time, we aren't fast fashion, and that comes into how we decorate and prepare your items too.

All our packaging is recycled or recyclable.

All our inks or threads are 100% vegan.

So, please allow approximately **7 days** for your order to be despatched to you.

When it IS time for it to be sent to you, we use **next-day couriers** (usually Yodel and sometimes DPD) so once you get the ping from us saying it's on it's way, it should be arriving the next day.

You will receive a tracking reference from us, but if you need any further help, we are always here for you, just see below...
